TUITION & FEES
2008-2009**

Tuition By Level & Residency	PER-CREDIT-HOUR AMOUNT	EXPLANATION
Undergraduate Resident		Tuition is collected from every student as a condition of enrollment to receive instruction at OSU. Tuition rates vary by residency status and level of course. Courses beginning with 0 through 4 are charged at undergraduate rates and courses beginning with 5 or above are charged at the graduate rate.
Nonguaranteed Rate	\$131.35	
Guaranteed Rate	\$151.00	
Undergraduate Nonresident	\$476.50	
Graduate Resident	\$154.85	
Graduate Nonresident	\$602.00	
Mandatory Fees		
Student Activity Fee-Athl	\$3.00	Dedicated to a bond issue for Athletic Department renovations (Gallagher-Iba Arena and Boone Pickens Stadium).
Student Activity Fee-Genl	\$2.50	Provides partial support to such program, services and organizations as SGA, collegial student councils and related student organizations, Allied Arts, fine arts, intramural athletics and sports clubs, minority student organizations, and the Student Activities Office.
Student Facility Fee	\$7.70	The fee serves 2 purposes. Part of it is dedicated to a bond issue for the Colvin Center renovations, and part of it supports the continued upkeep and utility costs of the Colvin Center and the Student Union.
Student Development Fee:		This fee funds numerous initiatives including participation in orientation efforts (which are linked to recruitment and retention of freshmen and transfer students), development and leadership opportunities for minority students, costs for Student Union programs and Student Union Activities Board, living group organizations (including programs like Renter's Fairs and housing guides), and various other programs available to students throughout the year.
CVHS ²	\$1.90	
All Other Students	\$2.00	
Health Services Fee	\$4.35	Provides for comprehensive health and pharmacy services.
Advising & Assessment Fee (Excludes CVHS ²)	\$5.00	Provides students with career development (employment and internship services including expanded interview opportunities, placement preparation, and other programs related to success after graduation), more personalized advising services and reduced advisor/student ratios, and skills assessment and evaluation of students' capabilities at various stages of their academic careers.
Library Automation & Technology Fee		Defrays the cost of equipment, software, and other aspects related to operating the on-line computerized library service. These fees also provide student access to heavily used electronic journals and on-demand information services despite escalating costs and the termination of services by outside library agencies.
CVHS ²	\$7.80	
All Other Students	\$10.80	
University Technology Infrastructure Maintenance Fee		Provides for the maintenance of existing facilities, and the expansion and development of central facilities, software, and multimedia capabilities, as well as covering increasing costs in multiple areas, including network and system infrastructure, hardware and software costs and communications. Another priority of revenue from this fee will be to upgrade system security in an effort to prohibit University computer networks from being susceptible to hackers.
CVHS ²	\$5.00	
All Other Students	\$9.40	
Academic Facilities Fee (Excludes CVHS ²)	\$10.50	Funds renovation, maintenance, and construction of classroom and academic facilities necessary to support contemporary instruction and the demands of growing enrollment.
